That's Right! We're Back Again, Foolin' Around on the River

The Friends of Lakeside Nature Center's Blue River Stream Team #175 invites you to join us in our 18th year of Blue River Clean-up - the largest one day stream clean-up in Missouri. There is something for everyone to do - from planting trees and litter pick-up to storm drain stenciling and water quality monitoring. PBRR gives anyone and every one a chance to make a huge difference to the quality of the Blue River.

Dress for the weather, join 700 of your closest friends to get down and dirty on the Blue.

Tools, bags and gloves provided. Worksites appropriate for ability.
