

Beginner Bird Walks

2011 Season Schedule

All walks are on Saturdays

All scheduled hikes are open to the public and geared towards beginner birders. There is no fee. Hikes will be canceled in severe weather – call the center (816-513-8960) if you aren't sure. Please dress appropriately for the weather of the day (i.e. raingear, layers of clothing for cold weather, sunscreen and hats for warm weather, insect repellent, closed-toed shoes or boots). We strongly recommend that you carry water with you on the hike. These hikes are BYOB (Bring Your Own Binoculars😊).

Note: Birds are most active early in the morning, when it's cool. Our hikes begin progressively earlier as summer goes on. Hikes will end no later than 8:30 AM.

Please gather inside the main doors of Lakeside Nature Center, 4701 E Gregory Blvd, Kansas City, MO 64132. There the naturalist will meet hikers, outline the plans for the day and then lead the group on the trail.

If you have any questions, please contact Ruth at the Nature Center (816-513-8960).
