

***Kids, Water, Bugs and Fish***

**July 24, 10 AM - 3 PM**

**Lakeside Nature Center**

4701 E. Gregory, KCMO

**What do Fish Eat?**

**Little Blue River Watershed Coalition and  
Heart of America Fly Fishers**

**invite you to bring your children and learn all about the  
bugs in our streams, the fish that eat them and what they  
can tell us about the quality of the water.**

**Learn from the Heart of America Fly Fishers as they tie fly's  
of those bugs and show you how to cast your fly to attract  
fish.**
