

Join us at Lakeside

Yes, join us by owning a part of Lakeside Nature Center. Add your name, your company's name or the name of someone important to you to our wildflower-surrounded courtyard.

Located next to the public golf courses and near the Zoo and Starlight Theater, Lakeside Nature Center is an exceptional visitor's attraction. Drawing on the expertise of three separate entities - Missouri Department of Conservation, Kansas City MO Parks, Recreation and Boulevards, and the Friends of Lakeside Nature Center we have created a unique educational experience for everyone in the greater Kansas City area.

Visit the Nature Center's live native Missouri animals plus check out informative exhibits relating to our urban environment. We present fascinating educational programs at the Nature Center and in the community. We run a highly successful wildlife rehabilitation program.

So come.
